Clinton Nov 4th 1904

My Dear Mr Robinson

Your letter containing check was received, for which I thank you, also for your hopes of my recovery.

I am glad to be able to say that I am gaining slowly, and think Dr Barrows treatment will in time effect a cure.

Please say to Mrs Robinson, that her letter, expressing such

perfect satisfaction in every way with her dress, was a great relief to me, as I had felt very anxious about it for fear it might not be alright, I thank you for expressing her self so freely.

With kind regards to you both I am

Sincerely

Harriet E Leyh
